R&R

My danna

**This is my first poem for this couple so please like it
xD**

Disclaimer: I do NOT own Naruto or any of the characters...believe me if I did Sasori would still be alive...among other characters...Deidara and Sasori would also be a couple

My danna was not a patient man...

which was odd considering he thought art should last forever...

Why danna...

Why weren't you eternal like you always said...?

I thought as I saw Sasori's dead puppet corpse,

and tears began to fall from my blue eyes

End
